The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed as

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

The QUEEN'S Most Excellent Majesty in Council.

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to in similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be retained by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations made for persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time in pursuance of this Act may repeal or alter all or any part of such rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to avail herself of the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the validity or operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order in Council, Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen registered in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1st Class.—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2nd Class.—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

3rd Class.—(1.) Those whose fathers are serving, whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not included. Sons of out-pensioners, and sons of seamen or marines now serving.

4th Class.—(1.) Sons of seamen registered in order to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible only as sons of seamen, and their claims for admission are judged of by the Committee of Selection under the same circumstances.

At the request of the parents or guardians of boys for admission, a "Form of Application" will be furnished them by the Captain Superintendent, Greenwich Hospital, which, when properly filled up, must be returned as directed, with the two following certificates:—

1. A certificate of the marriage of the parents, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea, on which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the Admiralty officer from the Admiralty or from the Registrar of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between seven and eleven years of age, physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the last day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless they shall volunteer, with the consent of their parents, into the Royal Navy,—in which case, if they are physically fit for service, and of good character, they will be rated as Boys on board Her Majesty's Ship 'Excellent,' and may succeed by their talents, industry, and good conduct in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of those boys who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases to which are recommended by the Principal of the School may, for further time, not exceeding six months, be submitted for consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "General Division," the usual elements of a sound English education, geography, English history and grammar, and free hand drawing.

In the Nautical Division, in addition to the above, mathematics, navigation, and nautical astronomy will be taught.

The practical instruction for the older boys will consist of knotting and splicing, a knowledge of the rigging of a ship and rigging, and the great guns and small arms exercise.

Children of Roman Catholics, or of Protestant Dissenting members of the Church of England, will not be required to learn the Church catechism, or will be allowed to attend at convenient places of public worship in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission by the father, if living; and if the father be dead at the time of the child's admission, then the marriage certificate or the register of such child, according to the rite and ceremony of any established religious community of which, according to the said father's death, will be required as evidence of the religious tenets of the father: that is, provided no other document written by the deceased father be produced expressing a contrary wish or direction as regards the religious instruction of such child.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority, and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

C. PAGET.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 288

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting jurdee-rays. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers, Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate, but he must be re-examined on the first opportunity that offers afterwards after three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their scrutiny of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for 3 years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.
2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed will be required to present themselves for Examination on board the Excellent on the first * Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 2nd or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a third rejection will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final Examination at the Royal Naval College, as provided in these Regulations, will be confirmed from the date of their Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on such occasion; but he may have omitted to appear, unless under circumstances which are to be duly reported at the time.

XIX. Naval Instructors are to keep a Sea-going Ship's Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the Chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall come of age after May, 1857, and the final Examination of the Royal Naval College, required by these Regulations, is to take place in August, 1862; but any Midshipman, who, after that time, when he may have completed five years' service, or who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years, as above required, but if he fails in passing his first Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 31, of 1st December, 1848,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, and shall include the knowledge of French; and the foregoing Regulations for the rejection of Candidates, shall equally apply to Midshipmen Officers passing for the rank of Master and to Mates who may pass in Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that

* By an Order dated 6th June, 1862, Officers are allowed to present themselves to pass in Gunnery at the College instead of on the first examination day after their arrival. It is understood that such indulgence is not to affect the other Regulations as to the time in which Officers are required to pass the final examinations at the R. N. College.

CIRCULAR No. 19.—C.

Admiralty, 21st June, 1865.

(MERITORIOUS PASSING FOR THE RANK OF LIEUTENANT.)

With a view to encourage Officers to acquire a thorough knowledge of professional and other useful subjects, My Lords Commissioners of the Admiralty have thought fit to establish the following regulations:—

1. Lieutenant's Commission will be given, in June and December of each year, to the Sub-Lieutenant who has passed the best examination at the Royal Naval College during the preceding six months, provided he has obtained First Class Certificates in Seamanship and Gunnery, and not less than 925 marks in the College Examination. He must also be recommended by the Examining Officers, and must possess Certificates of good conduct and zeal in the performance of his duties for the whole period of his service.

2. The class of Certificate obtained will be noted against the Sub-Lieutenants' names in the Navy List, and those who have obtained First Class Certificates in all subjects, and who are in possession of proofs of good conduct and zeal in the performance of their duties during the whole period of their service, will be favourably considered for promotion in advance of other Sub-Lieutenants of the same standing.

3. My Lords intend to bestow a prize of books on all Sub-Lieutenants who may obtain First Class Certificates in all subjects. By Command of their Lordships,

CIRCULAR, No. 32.—W.

Admiralty, 2nd July, 1867.

(RANK, PAY, &c., OF NAVIGATING OFFICERS.)

My Lords Commissioners of the Admiralty have been pleased, under the authority of Her Majesty's Order in Council of 26th June, 1867, to establish the following Regulations:—

1. The titles of the Officers to be:—
Navigating Cadet (in lieu of Naval Cadet 2nd Class).
Navigating Midshipman (in lieu of Master's Assistant).
Navigating Sub-Lieutenant (in lieu of Second Master).
Navigating Lieutenant (in lieu of Master).
Staff Commander.
Staff Captain.

2. Gentlemen to be entered as Navigating Cadets between the ages of 13 and 15, under the Regulations now in force; the Regulations for the entry of Officers at later ages from the Merchant Service, either as Navigating Cadets, Midshipmen, or Sub-Lieutenants, to be cancelled.

3. The examinations to be the same as at present, except that the Regulations regarding forfeiture of time for rejection at the Royal Naval College are to be assimilated to those now in force for Sub-Lieutenants.

Officers not passing at the Trinity House within two months after passing at the Royal Naval College, to be discharged to the Shore, and deprived of three months' seniority; and those not passing within three months to be dealt with as their Lordships may think fit, either as to further deprivation of time or removal from the Service, as the circumstances in each case may deserve.

4. Navigating Lieutenants, instead of passing for Line-of-battle Ships after three years' service in that rank, to be required to pass at the Trinity House for Ships of the 1st Class, drawing 26 feet of water and upwards.

5. Navigating Sub-Lieutenants to rank with Sub-Lieutenants according to date of commission, and above Chief Gunners, Chief Boatswains, and Chief Carpenters. Navigating Lieutenants to rank with Lieutenants, and Staff Commanders with Commanders, both according to date of commission. Staff Captains to rank with Captains under three years' standing.

6. The Regulation that Navigating Sub-Lieutenants must serve two years in that rank, before being qualified for promotion to the rank of Navigating Lieutenant, to be abolished.

7. Navigating Lieutenants to be qualified for promotion to the rank of Staff Commander after 10 years' service as Navigating Lieutenant, or on attaining 15 years' seniority with not less than 7 years' service as Navigating Lieutenant. In both cases, 5 years' service must be Sea service, as defined by Her Majesty's Order in Council of 9th July, 1864, and the Officer must have passed for 1st Class Ships.

It is, however, to be distinctly understood, that promotion to the rank of Staff Commander is at the discretion of their Lordships, and is only to be given to Officers of good character and qualifications.

8. Navigating Lieutenants to be eligible for promotion to the rank of Staff Commander for distinguished or highly meritorious service, provided they have completed two years' Sea service as Navigating Lieutenants. Should an Officer to be so promoted not have passed for 1st Class Ships, he is only to be promoted to the rank of *Acting* Staff Commander, but to be confirmed with his original seniority, provided he pass within a reasonable time after his arrival in England. In such cases, the regulation that an Officer must serve three years before he can pass is to be dispensed with.

9. Officers of the Navigating Class may be transferred for distinguished service in presence of the Enemy to the Active Lists of those Executive Officers with whom they may rank at the time of performing such service, carrying with them their seniority, and the benefit of their larger rates of Full and Half Pay (if any) until subsequently promoted to a higher rank.

Navigating Officers may also, at the discretion of their Lordships, be promoted to a higher rank in the Executive Branch, should the circumstances of the case appear to deserve it.

10. The rank of Staff Captain to be confined to Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters, and to Masters of the Fleet when so employed.

11. The Pay of the Navigating Cadets and Navigating Midshipmen to be the same as at present.

12. Navigating Sub-Lieutenants to receive *5s.* per diem, to be increased to *7s. 6d.* per diem after two years' service: Half Pay as at present.

16. Navigating Lieutenants and Staff Commanders, when in command of any of H.M. Ships or Vessels, to receive the same rate of Command Money as Lieutenants and Commanders.

17. Store and other Allowances, Widows' Pensions, Compassionate Allowances, &c., to be the same as at present.

18. All Navigating Officers to be placed on the Reserved List on attaining the age of 60; they may also be removed to that List under the conditions laid down in the 1st, 2nd, and 3rd Paragraphs in Her Majesty's Order in Council of 31st March, 1865.

19. Staff Commanders to be allowed to retire when unfit for further service, or on attaining the age of 55, on the following scale, viz.:—

Officers having served 20 years in the ranks of Navigating Lieutenant and Staff Commander to retire with the rank of Captain; Officers having served 15 years in those ranks to retire with the rank of Commander. No Officer is, however, to be entitled to the increased Rank or to the increased Pay on retirement, unless he shall have in the ranks of Navigating Lieutenant and Staff Commander at least 7 years' Sea service, as defined by Her Majesty's Order in Council of 9th July, 1864.

20. All time served as Acting Navigating Lieutenant, and four years of time served as Navigating Sub-Lieutenant, to reckon towards increase of Full and Half Pay and Reserved Half Pay.

21. Time served as Master Attendant, Assistant Master Attendant, and Queen's Harbour Master, to reckon as service towards increase of Full and Half Pay, and Reserved Half Pay. On retirement from these positions, Officers will be granted the Rank of Retired Captain, and will be allowed sixpence a-day for every complete year's service in such capacity, in addition to their Half Pay or Reserved Half Pay.

22. Navigating Lieutenants who may hereafter be placed on the Reserved List, may, at the discretion of their Lordships, be promoted to the rank of Staff Commander on attaining 15 years' seniority, if of good character and qualifications.

23. Time served in Revenue Vessels to count as Sea Time. Time served in the Coast Guard on shore, or in the Transport service on shore, to count as Sea Time in the proportion of two years in the Coast Guard or Transport service as one of Sea service. Time served as Mail Agent or Transport Agent afloat or abroad to count as Sea Time for the first three years, and after that in the proportion of three years' Agent's Time as two of Sea service.

These Regulations only to apply to increase of Full and Half Pay and Reserved Half Pay.

24. Navigating Officers, whatever their rank and seniority may be, are in all matters of Command, and in all details relating to the duties of the Fleet and to the discipline and interior economy of Her Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

25. Navigating Officers in command of Her Majesty's Yachts and Store Ships are not to be interfered with by Officers commanding any of Her Majesty's Ships or Vessels of War, except under special or exceptional circumstances; nor are they, when on the Home Station to be required to wait on any Officer in command of one of Her Majesty's Ships or Vessels of War under the rank of Commander; but on Foreign Stations they are to report themselves to the Senior Officer present, whatever his rank and seniority may be.

26. The Officers borne on the Books of Royal Ships to pilotage and other duties, and for the command of the Vessels and Tugs, who now are styled Acting Masters and Acting Second Masters, although they have never passed the examinations required for those ranks, are to be styled Chief Officers in Her Majesty's Fleet instead of Acting Masters, and Senior Mates in Her Majesty's Fleet instead of Acting Second Masters, as laid down by Her Majesty's Order in Council of 11th December, 1865, in the case of Acting Masters and Acting Second Masters in the Coastguard.

27. These Regulations to come into force from the 1st July, 1867; and to apply to all Navigating Officers on the Active Lists.

By Command of their Lordships,
HENRY T. LOWE.

The certificates will be of two classes. To obtain a first class certificate a Student must gain 2000 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

8. Engineer Students on the may fail to attain the required standard for the *scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

9. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

10. The most efficient of the Students will be eligible for a more advanced education at the School of Naval Architecture, in accordance with the Regulations contained in the Admiralty Circular of 17th June, 1864.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain first or a second class certificate will not be required to go another examination, except on examination to qualify them for promotion to one of the higher ranks. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Engineer unless under special circumstances the Admiralty may grant them a dispensing order, but they may be sent to the Board of Engineers, provided they can pass the preliminary examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard School or not, who obtain second class certificates, if possessing themselves again at any of the half-yearly examinations, to be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the same manner as that attained at the time of passing the examination for Engineer's qualification in for a First or Second Class, and his eligibility for filling superior situations, will be in the measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers in the Navy, and to those who may become Engineers who have been brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make in their Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers who shall be under the

That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with the Regulations, and a printed Form, to be filled up by him, to show if he possesses the required qualifications.

2. As vacancies occur, the number of Candidates required will be ordered to attend at the Admiralty Office on the first Tuesday in alternate months, commencing with Tuesday, the 2nd July, 1867; but it is to be observed, that no person can be admitted as an Assistant-Surgeon in the Royal Navy, unless he can produce satisfactory evidence that his name has been placed on the Medical Register as legally qualified to practise both Medicine and Surgery according to the regulations established by the Medical Act. Surgery.	Materia Medica.
Physiology, or Institutes of Medicine.	Midwifery.

9. Although the above are the only qualifications which are absolutely required in Candidates for the appointment of Assistant-Surgeon, a favourable consideration will be given to those who have obtained the degree of M.D. from any University in the United Kingdom, or who, by possessing a knowledge of the Diseases of the Eye, or of any branch of science connected with the Profession, such as Medical Jurisprudence, Natural History, and Natural Philosophy, appear to be more peculiarly eligible for admission into the Service, observing, however, that lectures on these or any other subjects cannot be admitted as compensating for any deficiency in those required by the Regulations.

11. By the rules of the Service no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served five years, two of which must have been in a Ship actually employed at Sea, after which he will be required to pass an examination before a Board of Naval Medical Officers, assembled at the Department of the Medical Director-General of the Navy.

12. Assistant-Surgeons at home, after completing the stipulated five years' service, may, if the public service will admit, be granted two months' leave of absence on Full Pay on condition of their resuming their studies at a Medical School or Hospital.

" Second, as relates to Commanders.

" 9. That the Active List of Commanders be reduced from 450 to 400.

" 10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who may attain, or have within a period of fifteen years attained the age of sixty, and of twenty Years in the Coast-guard, or as Transport Officers, shall be extended to Officers who may have not been so employed during a portion of their time as such Officers, and Officers of inferior rank, to be permitted to assume the rank and title of Captain on reaching the age of [illegible] seniority on the List of Commanders, and to receive the retirement pay on the scale provided by the Order in Council, with this difference only, that Officers who may in future retire shall reckon in their service [illegible] shore or Transport Service on which they may have served at sea, instead of one-half as at present.

" 11. That the same principle be extended to the corresponding benefits of rank and Retired Pay [illegible] the Commanders who may have attained the age of fifty, provided they be willing and desirous to accept the same.

" 12. We would further propose that we may be empowered, in our discretion, to allow a limited number of Commanders who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

" Third, as relates to Lieutenants.

" 15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

" 16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on obtaining 15 years' seniority, but without any increase of half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

" 17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active list, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to Your Majesty that, although this system has, generally speaking, indeed greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which officers so retired might receive a less amount of pay than that at which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a station which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been varied by those provisions.

" Should Your Majesty be graciously pleased to sanction the foregoing suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 9th of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

Admiralty, 2nd April, 1866.

Her Majesty, by Her Order in Council of the 24th March, 1866, having been graciously pleased to sanction the following alterations and amendments in the present system of promotion and retirement in the Royal Navy, as provided by Her Majesty's Orders in Council of 1st August, 1860, and 9th July, 1864, the Lords Commissioners of the Admiralty hereby give notice of the mode in which such arrangements will be carried into effect:

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . .	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up one out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers, at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty, since their promotion to Flag Rank, are to be allowed to retain their places on the Active List if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the ages specified above, whether they have served or not.

8. Captains to be retired on attaining sixty years of age, or when physically unfit for service, on the terms of the Order in Council of the 9th of July, 1864. Those at present on the Active List who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after sixty years of age, or if physically unfit for service.

9. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of sixty, whether they have served or not.

10. Captains of sixty years of age, who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the rank and pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than twenty-five shillings a day, in accordance with the Order in Council of 9th July, 1864.

11. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

12. Captains to be allowed to retire on attaining fifty years of age, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

13. The Captains' List to be reduced gradually to 280, by filling up only two out of every three vacancies caused by age-retirements from that list, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

14. Commanders to be retired at the age of 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

15. Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

16. Time served by Naval officers in future retiring from Civil employments connected with the Navy, which does not entitle them to Civil superannuation, to be allowed to reckon towards increase of half or retired pay, in the proportion of one year for every two served in that capacity. In the case of Captains, twelve years served in such Civil capacity will entitle an officer to rise to the higher rates of retired pay of Vice-Admiral and Admiral respectively.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service or Admiralty may grant the Pension in case of illness before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Retired Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers [illegible] who shall have married after the 31st of December, 1831, are only entitled to the Pensions of their respective classes in the event of their Husbands having been on the List of Commission Officers, or on the List of Masters' Assistants, for complete years, except the Husband be killed in action, or lose his life in the execution of the Service, or unless the Officer died from the effects of wounds received, provided he had been five years on the List, and in good health when he married,—and it be proved upon oath that disease which occasioned his death was not contracted by service alone, or was not brought on by any misconduct, or circumstances over which the Officer had control.

The Widows of Chief Gunners, Chief Boatswains, Chief Carpenters, are only entitled to Pensions of their respective classes, their Husbands having been confirmed in the said ranks, and the Widows of Warrant Officers (Gunners, Boatswains and Carpenters) are only entitled to Pensions of their classes, their Husbands having been warranted for [illegible] year (acting time included) and provided that [illegible] been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Pension Widow, unless her Husband shall have been [illegible] Orders, nor unless his name was at the time of [illegible] his death, nor unless he shall have been [illegible] prior to, her Husband's Service in the Navy, nor [illegible] Husband shall have served One Year as [illegible] quest to their marriage, and shall have [illegible] of time to entitle him to his Full Pay [illegible] Council of the 1st November, 1844, the Widows of [illegible] lains dying after that date, who shall have [illegible] Years' Service on Full Pay, may be [illegible] although no portion of such service to be [illegible] marriage, provided there are [illegible] to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who [illegible] prior to the 31st of December, 1831, shall be [illegible]

selves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify the marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland case will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the whole Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date we were graciously pleased to annul, from and after the thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament then in force relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Piratical and Piratical Vessels, and of the Rewards conferred for the same, as also the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, It is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say.

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our

ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive [illegible] arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-fourth of the remainder, or, if there is to be [illegible] one-fourth of the entire net proceeds, except that if the ship capturing shall be a rated ship having a commander under the rank of the commander shall take a portion of the one-fourth [illegible] as if he were commander of a sloop according to the [illegible] portion hereinafter set forth; and if more than one [illegible] manding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-fourth shall be equally divided between them: but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively [illegible] and vessels of war, and commanders under the rank of rated ships, shall share together, in whatever number in combination, the one-tenth shall be so divided into [illegible] for a graduated apportionment as to provide for the captain receiving six parts, each commander of a sloop or commander under the captain in a rated ship, three parts and each lieutenant commanding, staff commander commanding, or master commanding, or other officer [illegible] commanding, a small vessel of war, two parts; [illegible] hereby direct shall be the proportion in which [illegible] respectively share; commodores of the second class [illegible] field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty as the rank of major, to share as commanders of sloops.

And We further direct, that after [illegible] have been made for the flag share [illegible] portion of the commanding officer [illegible] above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer and [illegible] boy composing the rest of the complement of the ships, sloops, and vessels of war, and actually on [illegible] of any such capture, seizure, &c., as aforesaid, [illegible] person present and assisting shall receive [illegible] according to his class, as set forth in the following [illegible]

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of such Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,
W. G. ROMAINE.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

And with reference to the Circular Order of 6th June, 1831, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

ENTRY AND DISCHARGES OF SEAMEN AND MARINES

CIRCULAR No. 31.—N.

Admiralty, 23rd August, 1866.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other manifest defects exist to such an extent as might in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him and cease carrying the examination further.

On the contrary, should the person present no obvious appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the whole external surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any serious complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body; that there are no spinal weakness or deformity; that the limbs are of ample length, strong, and well developed; that there are no visible marks of previous fracture, depression, or disease of the bones of the head, any collateral cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight perfect, and the hearing perfect in both ears; that there is no

or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the ones of the skull, disordered intellect or imbecility, epilepsy, eralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula achrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, isease or thickening of the lining membrane of the external ar.

6. Disease of the bones of the nose or of its cartilages, and olypus.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, and Petty Officers, Seamen, and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, except in very rare cases alone excepted where a general medal is created for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous shall be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be named and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing the inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a register thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marines, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

A certain proficiency in these four subjects is necessary, and will form the test of qualification for the appointment to a Clerkship in the above Departments.

Candidates for appointment in the Department of the Director of Engineering and Architectural Works at Somerset House or the Dockyards will be examined as to other subjects respectively, with the exception of book-keeping by double entry, for which Architectural Drawing will be substituted; and the limits for appointment as to Dockyard appointment are from 20 to 30 years of age.

All persons appointed to Clerkships after passing the examination No. III. in whatever capacity as Clerks are employed by the Admiralty they may hereafter be employed, will be liable to serve in Her Majesty's Naval Establishments abroad.

Unsuccessful Candidates may be allowed to present themselves again, provided they shall have passed the test, but those who shall have failed to pass the test will not be eligible for another examination until a period of at least six months shall have elapsed from the date of their failure.

Temporary Clerks who may be discharged on their own application, being no longer required, or on other grounds, will have no claim to be placed on the Establishment, or for Superannuation.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

THE ALBERT MEDAL.

Extract from London Gazette of 13th March, 1866.

WARRANT INSTITUTING A NEW DECORATION TO BE STYLED THE ALBERT MEDAL.

VICTORIA, R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced, with an anchor erect, in gold, surrounded with a garter, in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a Registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to the same, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving, or endeavouring to save, the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on the recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction; it is ordained that if any person on whom the distinction is conferred be guilty of any crime or disgraceful conduct which, in our judgment, disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid, under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judge of the circumstance demanding such expulsion, but that We shall at all times have power to restore such person as may at any time have been expelled, to the enjoyment of the Decoration.

Given at Our Court at *St. James's*, this seventh day of *March*, one thousand eight hundred and sixty-six, in the twenty-ninth year of Our reign.

By Her Majesty's command.

G. GREY.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to reassemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. WARD.

DUPLICATE MEDALS AND CLASPS.

Admiralty, 1st July, 1858.

My Lords Commissioners of the Admiralty have been pleased to approve of the following regulations respecting the issue of Duplicate Medals and Clasps for the undermentioned services, to replace those lost or stolen, viz.:—

Medals for the Campaign in the Crimea.

"	"	Baltic.
Clasps	..	Sebastopol.
"	..	Inkerman.
"	..	Balaklava.
"	..	Azoff.

Medals for the China War, 1856, 1860.

Clasps	..	China, 1842.
"	..	Fatshan, 1857.

Duplicate Medals and Clasps will be issued to those men who have *not* left the Naval or Marine Service, or to persons who, after having left the Navy or Army, and are still serving in the Army.

In cases of the loss having been sustained by those men in *the performance of their duties*, in the course of the term, the loss will be made good free of charge, provided satisfactory evidence is produced that they were under circumstances beyond their control; but if the loss while they were not on duty, the usual charge will be placed on payment of the price of the Medal or Clasp.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commanding Officer of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, the Staff Officer of the District in which he resides. In such certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was granted, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

As the Duplicate Medal or Clasp will be issued on the Certificates only, great caution should be used in signing them, as the Commanding Officers will be held responsible that duplicates are not obtained improperly.

Form of Certificate.

I hereby certify that [name] appeared before me, and stated that he has lost [number] which was issued to him for his service on board Her Majesty's Ship [name], that I have carefully investigated, and from the evidence before me am satisfied that the loss was sustained [*if not*] beyond his control, and not through any negligence on his part; further, that at the time he was in the execution of his public duty.

Given under my hand this [day] day of [month], [year].

By Command of their Lordships,

[Name of Captain]

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1859.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 18[illegible], and carried out by Her Majesty's Order in Council of 24th April, 1847, provides—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to [illegible]

C. applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with [illegible] pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under [illegible] usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years

D. standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained a Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. The widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the immediate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals; this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of [illegible]

B. 1827. These Officers will receive, as at present, the Half-pay of Rear Admiral, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers

A. as are either above 70 years of age, or are physically incapable of further Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be in addition to the Good Service Pension.

FURTHER RETIREMENT OF FLAG OFFICERS UNDER THE ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Compulsory Retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

Admirals of the Fleet and Admirals	21	(But not to be more than three Admirals of the Fleet at one time)
Vice-Admirals	22	
Rear-Admirals	42	
	85	

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* ,, ,,
If on 14*s.* 6*d.*	20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

I. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.

If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 18*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically in-

capable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

All Commanders on the Active List who have attained the age of 60, or who may
U. hereafter attain that age, to be placed on a Retired List with the Rank and Title of Retired Captain, and to receive Half-pay according to their length of Sea-Service on the Scale hereinafter mentioned.

Commanders, on the Active List, who have not been employed either afloat, in command of Revenue vessels, in the Coast-Guard, or as Mail or Transport Agents,
